

MARSEILLE

"Marseille is a young and talented producer on my label Mako Records. I have known Marseille for a long time, and he has become a good friend of mine. You may have already heard his name as a remixer on my "Raven" and "Who Are You" EP's. And now, It's his time. Time to reveal the horsepower and threshing capacity of a true Russian Machine " -The Proxy

The tracks: Marseille produces are variety of different genres from Minimal to Dubstep. He has no specific style, borders, or restrictions to his productions... "UFO Attack EP" was Marseille's debut EP on Mako Records in 2010. It was included in the "Destroy" compilation mixed by The Bloody Beetroots, which is out on Ministry of Sound Australia (Universal Music AU.) Currently Proxy's protege has 2 original EPs and few big remixes of Proxy, Chromeo, ZZT, which were proudly supported by many big names of EDM scene like Tiga, Zombie Nation, Erol Alkan, Digitalism, Housemeister, Djedjotronic, Mr. Oizo, Motor, Mixhell, Feadz, Mickey Moonlight and Proxy...
